

Provider Network Management

This reference guide was produced by the Provider Network Management (PNM) Department in order to assist in the day-to-day operation of the various Physicians Plus providers.

For additional assistance, PNM Liaisons are available. Staff members can clarify Physicians Plus policies and procedures as well as assist in problem resolution.

The Liaisons are available to providers for in-office meetings and will come to the provider location to:

- conduct new provider orientation
- train office and support staff
- resolve problem claim issues
- provide new or changing information on policies or programs
- perform facility reviews
- discuss concerns
- assist the provider office in any way possible with regard to Physicians Plus business

If you would like to schedule a visit to your office, please contact your Liaison at the numbers listed below.
